

Yorke Peninsula Council acknowledges the Narungga people (traditionally spelt Nharangga) as the traditional custodians of the land over which the Trail passes. We pay our respects to Elders past and present. Narungga people have a deep spiritual, emotional, social and physical connection to Country. We ask all Trail users to be respectful of sacred sites and places of significance.

Maps - a series of 10 topographical maps is available for purchase from Yorke Peninsula Council or by phoning 1800 202 445. The maps are also available from leading outdoor stores and map retailers.

Trail signs are generally placed at long eye distance. Although the trail is marked, users are advised to use official Walk the Yorke maps. Some sections are lengthy and it is not possible to walk and stay in accommodation each night. Walkers should be prepared for all conditions.

Car parking is available in towns along the route, as well as public car parks and roadsides. Don't leave valuables in the car while walking and ensure the car is locked and secure whenever it is left unattended.

Be aware of weather conditions. Some beach walks are tide dependent, please walk on the hard sand below the high tide line to assist with caring for the environment. Trail markers are placed at each end of the beach sections.

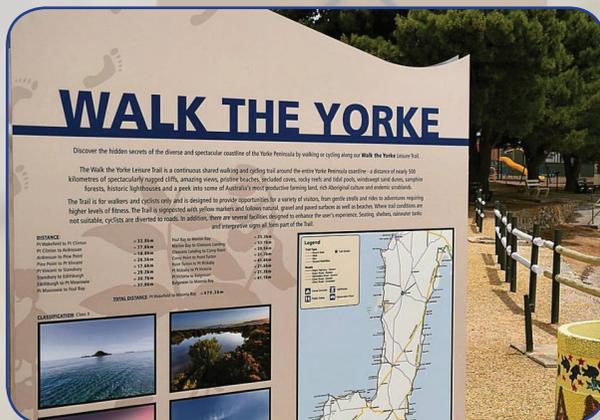

Rifle Butt Beach, near Port-Victoria

Walk the Yorke Trail traverses Yorke Peninsula from Port Wakefield around to Moonta Bay. This photo of the sign at Port Wakefield was taken by Inspired Photography Collective.

YORKE PENINSULA SOUTH AUSTRALIA WALK THE YORKE

500 kms of spectacular scenery
This Trail offers fabulous opportunities to experience the glorious outdoors, with views of beautiful long beaches, spectacular coastlines and rich farming country.
The trail is suitable to walk or cycle.

It's the peace and quiet, the sounds of nature and company of friends or family.

It's the wide open spaces, the magnificent scenery, and the fresh, clean country air that feeds your soul.

It's the glimpses of wildlife and places you'll never see from the car, delicate wildflowers and colours only Mother Nature can produce.

Walk the Yorke is a wonderful experience for those who like a short stroll, right through to serious hikers. There's something for everyone to enjoy - including cycling options.

Next time you're thinking of taking a break, choose Yorke Peninsula and Walk the Yorke.

For more information phone 1800 202 445 or visit the website www.visityorkepeninsula.com.au to find -

CYCLING

Walk the Yorke also caters for bike riders, with some shared trail and other sections rerouting to better cater for cyclists.

- Point Annie to Corny Point, 15 kms one way - keep a look out along this section for our friendly dolphins who love to surf the waves! Leaving the spectacular views of Point Annie follow Lighthouse Road (gravel) past beautiful surfing beaches to Corny Point Lighthouse, then continue along the gravel road to Corny Point township. This section follows road verges.
- Cape Elizabeth to Balgowan, 46 kms one way - this natural-surface trail follows two-wheel tracks through Sheoak woodlands and the rear of sand dunes and samphire flats. Finish at Balgowan, a popular holiday destination for families and anglers. A challenging ride along the back of the sand dunes.

SHORT WALKS

Enjoy a stroll along one of the shorter walks, feel the clean fresh air on your face and enjoy the fabulous scenery.

- Coobowie to Edithburgh to Sultana Point, 6 kms one way + 4 kms one way - cross the Coobowie Estuary and delight in beautiful views of Troubridge Island. Continue on to experience the mosaic rock art dotted along the path between Edithburgh and Sultana Point.
- Port Victoria Geology Trail, 4km one way - collect a guide book from the foreshore kiosk and follow the trail from the jetty to beautiful Rifle Butts Beach.
- Port Clinton to Price, 7.8 kms one way - wander through mangrove forests and over tidal samphire flats. An excellent walk for bird lovers.

DAY WALKS

Looking to recharge? Devote the day to walking and reconnecting with nature. Take in the spectacular scenery, listen to the sounds of nature and keep company with our wildlife.

Some special walks include:

- Pine Point to Port Vincent, 28.5 kms one way - offers some of the best views on the trail, following the coastline past Black Point and Port Julia, finishing with spectacular views from Port Vincent Lookout.
- Gym Beach to Formby Bay, 9.6 kms one way - features magnificent surf breaks, quiet secluded beaches, and a natural-surface trail along the clifftops, headlands and dunes.
- Kangaroo Island Lookout to Marion Bay, 19.6 kms one way - requires some rock hopping and dune climbing but the rewards are breathtaking.
